BRIEF HISTORY OF CATTOLICA

Europe's largest Catholic University was founded by Father Agostino Gemelli, together with a group of Catholic intellectuals (Ludovico Necchi, Francesco Olgiati, Armida Barelli and Ernesto Lombardo).

The Giuseppe Toniolo Institute for Advanced Studies was set up in 1920 and was the founding entity of Università Cattolica del Sacro Cuore. The official inauguration took place in Milan, and the university gained official state recognition as an independent university in 1924.

In 1928 Father Gemelli purchased the historic Saint Ambrose Monastery, located in the centre of Milan, which was then inaugurated as the main building of the University on 30th October 1932.

The architect Giovanni Muzio was then commissioned by Father Gemelli to undertake the restoration and renovation of the original structure and the addition of new buildings.

The Piacenza Campus was built after World War II and was opened at the beginning of the 1952-1953 academic year. The Agostino Gemelli General Hospital in Rome was inaugurated in 1964 as part of the Faculty of Medicine and Surgery. The Brescia campus was opened in 1965 and in 1984 the first lectures were delivered in Cremona.

Università Cattolica del Sacro Cuore, Piacenza-Cremona Campus is home to 3 Schools:

- Economics and Law
- Agricultural, Food and Environmental Sciences
- Educational Sciences.

Enrolling a total of 3000 students (with around 270 faculty members and 130 staff members) the campus offers two distinct realities: Piacenza, the crossroads of cities and cultures, and Cremona, the violin city.

Providing many green areas and efficient administration, computer labs and recreational activities, Università Cattolica del Sacro Cuore, Piacenza-Cremona campus is the best option for students who want to pursue a quiet, hardworking and culturally inspired experience.

Situated at the heart of the Po Valley, in the lush and fertile region of Emilia-Romagna, Piacenza is only 65 km away from Milan and 150 km from Bologna. It lies on the border between Lombardy and Piedmont, two of the most industrialized regions in the north, at an important logistic hub for road and rail transport, both national and international.

Thanks to its easy access from both the south and the north of the country, Piacenza has always been an important centre for commerce and transport. In fact, it is considered the gateway to all important surrounding cities of Northern Italy, including Milan, Parma or Bologna.

Moreover, Piacenza is one of the cities of art of the region Emilia-Romagna, with its palaces, churches and museums.

Both in the city center and around the province you will have the opportunity to enjoy the pleasure of Italian cuisine, thanks to the long and refined culinary tradition of Piacenza.

The added value of Piacenza and Cremona is the relationship between students and professors, which stimulates students to pursue higher goals, showing competitiveness and ambition for a wonderful array of future job opportunities.

The Italian Credits System (ECTS-CFU)

Every course/exam has a number of credits that you can generally find in brackets next to the name of the course/exam. Credits represent the amount the student is expected to study including the contact-hour load per week. Core curriculum courses/exams will generally have a higher credit value than electives.

According to the ECTS - European Community Credit Transfer System, one Academic Year corresponds to 60 ECTS Credits. 1 ECTS Credit = 25 hours of work (including lessons, seminars, practical activities, study hours,...).

The ECTS System replaces the Italian Credits System expressed in "CFU". 1 ECTS = 1 CFU

The Italian Grading System

The Italian grading system ranges from 18/30 to 30/30. The highest mark is 30/30 cum laude. All the exams under 18/30 are considered as "failed" and thus are not registered in the Libretto. The highest mark for Graduation is 110/110 cum laude.

According to the Italian Ministry of Instruction, during the Fall semester, ALL students enrolled in the first year will be asked to take an evaluation test in order to assess their foundation knowledge.

It is NOT an admission test. In the case of a failed test, students will still be able to attend courses regularly and take the corresponding final exams.

Test results will be published on student's personal I-Catt page the following day, together with information of how to make-up for the foundation knowledge gaps identified through the test results.
